Rockford Park District Holds Neighborhood Planning Meeting for Ken-Rock Park Playground; Thursday, April 29; 5:30 – 6:30pm

ROCKFORD IL – The Rockford Park District will hold a **Ken-Rock Park Playground Planning Meeting** on **Thursday, April 29, 2010 from 5:30 to 6:30 pm** at Ken-Rock Park, 2930 Bildahl St. Park District staff will present the District's proposed plans for the playground renovation and are seeking input and suggestions from residents of the area. In February, Blue Cross Blue Shield of Illinois announced that they had awarded the Rockford Park District a grant to replace the aging playground at the park.

Grant funds will enable the District to build a new playground for children 2 to 12 years old. Plans are to install a main playground structure, independent play pieces, and surfacing and landscaping to provide a safe and attractive addition to the neighborhood. The existing playground, which was installed in 1995 will be removed.
