

HELPING PEOPLE ENJOY LIFE

2008  
DONOR RECOGNITION

ROCKFORD PARK DISTRICT  
FOUNDATION

For the past 28 years, the Rockford Park District Foundation has assisted the Park District in fulfilling its mission to provide the best parks, facilities, and recreational programs.

And thanks to many generous donors and volunteers, the great work continues. In 2008, the Foundation and the Fund Development team generated nearly \$4.1 million in donations, grants, sponsorships, and land acquisitions.

There were many highlights over the past year. Among the significant projects for which funds

were raised by the Foundation in 2008 were the Nicholas Conservatory & Gardens, Fun for All Kids, and

the City of Gardens program. The Foundation also received third place in the Partner category from the Illinois Association of Park Districts from over 40 nominations.

The Rockford Park District Foundation and the Rockford Park District truly appreciate the unwavering support demonstrated by the community and individuals year after year. The following is a list of those generous supporters from 2008.
